4-H TRACTOR DEMONSTRATION/CONTEST

NEW THIS YEAR at the San Joaquin County Fair, 4-H members will demonstrate their abilities to safely and effectively operate an agricultural and/or lawn and garden tractor. 4-H members will also demonstrate their knowledge of tractor maintenance and skill in operation, competing with other 4-H members in the process. The demonstration consists of four parts, including a written exam, part identification, displaying safe operating procedures, and the actual operation of a lawn tractor.

The demonstration/contest takes place on Friday, June 26th, from 2-4 p.m. on the grounds of the San Joaquin County Fair.

For more information, contact Rita Peralta at the San Joaquin County Fair, (209) 466-5041.
